Summary

MERN Stack Developer with strong experience in building scalable web applications using React, Node.js, Express, and MongoDB. Experienced in integrating Python-based backends with React frontends. Currently developing an AI-driven HR system combining full-stack development and analytics.

Education

B.Tech in Computer Science Engineering, ITM GIDA Gorakhpur

Intermediate & High School, Saraswati Shishu Mandir Inter College

Skills

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Databases: MongoDB, Mongoose

Auth & State: JWT, Context API, Redux (basic)

Python Stack: FastAPI / Django-style APIs, Data Processing

Tools: Git, GitHub, Postman, Docker (basic), VS Code

Experience

Backend Developer Intern, Medical Book

- Worked on backend services handling 1K+ records using REST-based architecture.
- Designed APIs and optimized request handling, improving response time by 30%.
- Collaborated with frontend teams for seamless integration.

Full Stack Developer, My Branding Hub

- Developed React-based interfaces integrated with backend APIs.
- Built admin dashboards and authentication flows.
- Assisted in deployment and production maintenance.

Projects

- **AI HR Management System (In Progress) — MERN + AI:** Developing an AI-powered HR platform for resume screening, candidate scoring, and interview analytics. Building MERN dashboards, REST APIs, and AI-driven evaluation pipelines.
- **DevSuite — React + Python Backend (5 days):** Built a developer utility platform with React frontend and Python-based backend services. Implemented dashboards, REST APIs, and analytics modules supporting 300+ users.
- **CampusHub — React + Python Backend (5 days):** Developed a campus platform with forums, file uploads, and submissions. Integrated React frontend with Python REST APIs and role-based access control.
- **College LMS — Laravel Backend + React Dashboards (5 days):** Built academic management features for attendance, notes, and group handling with integrated dashboards.

Achievements

- Smart India Hackathon Finalist (Top 1% National Level).
- NCC 'B' Certificate Holder.
- Built and deployed multiple full-stack applications.
